APPLICATION FOR ON LICENCE INFORMATION SHEET

An on licence authorises the sale or supply of alcohol for consumption on a premises such as:

- Premises - tavern, hotel, restaurant, nightclub, café.
- Endorsed - BYO, Caterers.

The licence is subject to the provisions of the Sale and Supply of Alcohol Act [SSAA] and conditions of the District Licensing Committee [DLC].

Contact Palmerston North City Council's Planning team to discuss your proposed business activity. This will help you determine in advance whether your proposed activity / premises complies with the relevant District Plan requirements and any additional costs or applications that may be involved in achieving compliance.

APPLICATION PROCESS

It takes about six weeks to process an on licence application.

You can help your application process smoothly by providing complete and accurate information. The DLC forwards copies of your application to various reporting agencies before making its licensing decision. If there has been an objection to your application, it will be handled by the DLC. Objections will delay the decision on your application.

If you are granted an on licence, you must apply for a renewal at least 20 working days before the licence expires.

APPLICATION REQUIREMENTS

You will need to provide:

- Planning Certificate - before you apply for an on licence, you will need to obtain a Town Planning Certificate.
- Proof of Business - a certificate of incorporation, company constitution or memorandum of association and / or a partnership agreement.
- Proof of Consent - you will need a written statement from the building owner consenting to alcohol sales.
- Building Documentation - a photo of the exterior of the premises, a street map showing the location, an A4 scale plan of the interior showing areas used for sale of alcohol, areas restricted or supervised and all principal entrances.
- Building Evacuation Scheme - Email: fireinfomanawatu@fireandemergency.nz and request the requirements for an evacuation scheme or procedure. When all Fire Service requirements have been met, you will be issued with a letter. A copy of this letter needs to be submitted with your application.
- Host Responsibility Policy [one pager] see enclosed sample.
- Host Responsibility Plan - an implementation plan specific to your premises using the enclosed guide [if applicable].
- Menus - a proposed list of food and beverages.
- Public Notice - you must place a notice in a local newspaper within 20 days, after you submit your application. You must also display a visible notice on the site of the proposed premises.
- Managers Certificate - at all times when alcohol is being sold or supplied to the public, a manager must be on duty and responsible for compliance with the Act and the conditions of the licence. The manager must hold a current manager's certificate.

APPLICATION FOR ON LICENCE SALE AND SUPPLY OF ALCOHOL ACT 2012

THE OBJECT OF THE ACT

All applications must be considered in light of the object of the new Act [section 4]:

- The sale, supply, and consumption of alcohol should be undertaken safely and responsibly;
and
- The harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

Harm includes crime damage, death disease, disorderly behaviour, illness or injury, directly or indirectly caused or directly or indirectly contributed to by the excessive or inappropriate consumption of alcohol. It also includes harm to society generally or the community directly or indirectly contributed to by the excessive or inappropriate consumption of alcohol.

DESIGN AND LAYOUT

Design and layout can help reduce alcohol-related harm occurring within licensed premises. For example, bar layout, seating, sound, lighting, access and a host of other design elements can be used to improve security, reduce tension and improve the atmosphere in licensed areas.

Guidelines and examples on the types of concepts that design and layout could include are contained in Crime Prevention Through Environmental Design [CPTED]. Guidelines on CPTED are available through the Health Promotion Agency www.alcohol.org.nz

AMENITY AND GOOD ORDER

- What appropriate systems, staff, and training is in place or will be put in place to ensure compliance with the law
- Current and possible future noise levels [if relevant what they intend to do to mitigate them]
- Current and possible future levels of nuisance and vandalism [if relevant what they intend to do to mitigate them]
- The number of other licensed premises in the area. Will the granting of this licence increase negative effects in the area?
- The purposes for which land near the premises is being used for, and will that change if the licence is issued?
