Dear David,

### **Statement of Expectation for The Regent Theatre Trust 1<sup>st</sup> July 2022 – 30<sup>th</sup> June 2023**

The Council values the important contribution The Regent Theatre Trust is making to Council's vision of a city with Small city benefits, Big city ambition – He iti rā, he iti pounamu.

This Statement of Expectation provides direction to assist the Board in preparing its Statement of Intent (SOI) for the three years 2022-2025. It also clarifies Council's expectations on how The Regent Theatre Trust and Council can work together for maximum community benefit.

#### **1. Strategic Direction**

As Palmerston North's premier theatre venue, you have an important role to play in helping Council reach its goals to achieve our vision:

Goal 1: An innovative and growing city

Goal 2: A creative and exciting city

Goal 3: A connected and safe community

Goal 4: An eco-city

Goal 5: A driven and enabling Council

These five goals are supported by five Strategies with several plans for each one. The Arts and Heritage Plan has been developed by Council to help us achieve Goal 2:

*A creative and exciting city -*

*He tāone whakaihiihi, tapatapahi ana*

A city that draws inspiration from the diversity within its culture and creates a vibrant urban environment that attracts creative and clever people, and nurtures creative talent.

Actions from the Arts and Heritage Plan to which Council believes The Regent Theatre Trust could be contributing are included table in Section 2. Development of the Statement of Intent.

## 2. Development of the Statement of Intent

When developing The Regent Theatre Trust's SOI, we expect that you will address the following:

regionally/nationally significant events.	
Address employee cost liabilities in its Statement of Position to ensure that liability reduces over the next three years.	The Regent should review its employee leave procedures to reduce this figure over the three years.

### 3. Working together

One of the Council's priorities is to establish and manage an effective working relationship based on mutual respect and trust with its CCOs. This means more than regular reporting – it means two-way dialogue and working together to achieve shared outcomes.

To achieve these aims, the Council has the following expectations:

- The Regent will work in a collaborative manner with Council to ensure The Regent's policies and decisions represent the best interest of the Council and ultimately the ratepayers;
- There is to be ongoing engagement between The Regent and Council, both at a governance and operational level, to ensure that all parties are well-informed of each other's mandate and priorities. This may include engagement between Elected Members and the Trust, and between senior managers in both organisations;
- The Board is the most important monitor of The Regent's performance. The Council expects the Board to advise Council regularly of its performance, implications for future performance, and risks and opportunities faced by the organization (including Covid-19 related risks);
- The Regent will adhere to a "no surprises" approach to communication;
- Publicly communicate Council decisions in a positive manner. Any concerns should be raised with Council officers;
- The Regent will participate in relevant network meetings including but not limited to the CCO bi-monthly meeting.

A "no surprises" approach is an expectation that Council will be fully informed on all matters that are likely to attract significant public interest, or which may require a Council response.

Equally, you will be notified of any Council actions or announcements that may affect the Regent before any public announcement is made. This no surprises approach applies to both parties.

### 4. Responsibilities

The Council expects that The Regent Theatre Trust will:

- Achieve the objectives as determined through the Regent Theatre Trust Deed and annual Statement of Intent;

- Align its strategy, business plan and activities to reflect the vision, goals and strategic objectives of the Council;
- Work in collaboration with other CCOs to implement the Council's Strategy;
- Strive to engage with and respond to the needs of customers and the wider public;
- Be sensitive to the demand for accountability and transparency required by its status as a public entity;
- Avoid duplication, ensure efficient allocation of public resources, and seek opportunities to collaborate with Council and other cultural CCOs;
- Employ prudent financial management as a basis for decision-making;
- Retain good visibility over operational decision-making and manage risks (including Covid-19 related risks) in a proactive manner;
- Provide clear and transparent information to Council and the public.

The responsibilities of Council are to:

- Fund and enhance the cultural Council Controlled Organisations to help make Palmerston North a creative and exciting city;
- Support CCOs to achieve the objectives of this plan and wider Council strategy;
- Provide clear direction to the Regent to inform their strategic and operational planning;
- Appoint members of the Regent Theatre Trust in keeping with the Council's Appointment of Directors & Trustees Policy;
- Receive and approve the draft and final Statement of Intent;
- Monitor the Regent's performance as informed through the presentation of six monthly and annual reports;
- Build and maintain a relationship of mutual respect and trust with;
- Respect that some information shared by the Regent may be commercially sensitive;
- Communicate in a positive manner about the Regent's successes.

## **5. Accountability, monitoring and transparency**

The Regent is statutorily required to meet its obligations under Part 5 and Schedule 8 of the Local Government Act 2002 (LGA) including achieving the objectives of the Council, be a good employer, and exhibit a sense of social and environmental responsibility. The Act was amended with changes applicable from October 2019.

The public expects a high standard of accountability and transparency from Council and Council controlled organisations.

It is important to the Council that the people of Palmerston North know that they can attend at least one public board meeting each year, even if the majority will not choose to do so. The Council sees The Regent Theatre Trust's AGM as the ideal opportunity to do this and encourages The Regent Theatre Trust to actively promote this to the public.

## 6. Timeline of the next SOI

We expect The Regent Theatre Trust to submit the first draft SOI 2022–2025 to Council by 1<sup>st</sup> March 2022 to comply with the LGA. However, due to the compressed timeframe it is acknowledged that this may be a first draft only that is polished during March, possibly as a result of Officers seeking clarification. The timeline is below:

By 20 Dec 2021	Statement of Expectation letters sent to the CCOs.
By 30 Jan 2022	Officers will meet with each CCO to discuss the expectations of Council for the SOIs, ensure understanding of what Council wants included, agree on a timeline for any additional plans and develop the non-financial performance measures.
On or before the 1 <sup>st</sup> March 2022	Draft SOI delivered to Council by CCOs.
March and April - by the 1 <sup>st</sup> May 2022	Draft SOIs presented to Arts, Culture and Heritage Committee of Council by April 2022. Council recommends changes to the draft SOI for consideration by the Trust Board.
By 30 June 2022	Final Statement of Intent delivered to Council

We look forward to working with the Regent Theatre Trust as collectively we continue to develop a model of service provision that ensures our community thrives socially, culturally, economically and environmentally. We thank the Board and staff of the Regent for their collaboration as we move ahead together.

Yours sincerely,
