SUBJECT **ELECTED MEMBERS' MEETING ATTENDANCE STATISTICS FOR THE 6 MONTHS 1 JULY 2019 TO 31 DECEMBER 2019**

Elected members' meeting attendance statistics are reported on a six and twelve monthly basis. Remuneration figures are reported at the end of each financial year.

The figures for the six months to 31 December 2019 are attached to this memorandum. These statistics are collated by the Democratic and Governance Services of the Strategy and Planning unit of Council, and capture elected members' attendance at briefings, workshops, formal Council and committee meetings and hearings.

The statistics include elected members whose term as councillors ended in October 2019, and those elected to Council in October 2019.
