1. The Requestor acknowledges receipt of Minute 4 of the Independent Hearing Panel, and confirms the substance of the Minute is as-expected and discussions between the planners (and counsel) are already underway.
2. However, Mr Thomas is away for the first part of this week, and scheduled to be in witness conferencing on another matter on Friday 22nd; while one of the Council participants is away on Thursday and Friday this week. Due to these absences, the planners have limited time to conclude their discussions, and the Requestor is therefore seeking an extension of the due date for their material to Monday 25 July. The Council supports this request, if acceptable to the Panel.
