A link to an agenda for the hearing will be circulated to all submitters on 29 November 2023<sup>3</sup>. Please note that all the material and evidence contained in the agenda will have been previously pre-circulated to submitters and published on the Council's website: [pncc.govt.nz/PlanChangeG](https://pncc.govt.nz/PlanChangeG).

If you have not done so already, I encourage you to visit the [Plan Change G page on the Council website](#) to get familiar with the hearing material in advance.

<sup>3</sup> Deadline for written replies from PNCC s42A reporting officers is 1pm on 28 November 2023 ([Minute # 3 of the Hearing Panel dated 7 November 2023](#)).

For the hearing, the following process is proposed and is based on all expert evidence having been pre-read by the Hearing Panel in advance of the hearing:

- Expert witnesses will be given the opportunity to provide a brief “highlights” package (preferably in writing of approximately 2 pages) of the content of their evidence with an emphasis on any unresolved matters. The Hearing Panel will then ask any questions of clarification of each witness.
- Submitters presenting on their own behalf (i.e. without any expert witnesses) do not need to pre-circulate their written statements (but can do so if they wish). They may read their statements on the day of the hearing. The Hearing Panel will then ask any questions of clarification to each submitter.

A hearing schedule with estimated speaking time for each participant will be circulated prior to the hearing. I will be in touch with each submitter to organise this soon.

Finally, please find attached a Procedure Sheet containing information about the procedure for District Plan hearings. Please read this carefully as it contains important information about the hearing.

If you have any queries, please do not hesitate to contact me at (06) 355 6444 ext. 7518, or email [susana.figlioli@pncc.govt.nz](mailto:susana.figlioli@pncc.govt.nz).

## PROCEDURE SHEET

### HEARING OF SUBMISSIONS ON A CHANGE TO THE DISTRICT PLAN

This information is for the assistance of persons participating in a hearing under the Resource Management Act 1991.

#### 1. Engagement of Counsel

You can present your own case, but if you wish you can engage legal counsel or any other person to appear on your behalf.

#### 2. Public Hearings

All hearings are public and the media and members of the public are entitled to be present. This also means that any evidence provided during the process and the Decision of the Commissioner(s) will be published on the Council website and at public display points.

Submissions and evidence will remain publicly available only for the period for which the decision is open, i.e. until the appeal period closes and removed from Council's website and display points at the completion of the relevant RMA process.

Despite the above, the Commissioner(s) may hold any part of the hearing in private and has the power to make an order to protect sensitive information. (See *paragraph 14 below*).

#### 3. Independent Hearing Panel Conducting the Hearing

The Council has delegated the conduct of the Hearing and the power to make a decision on the submissions to an Independent Hearing Panel. The members of the Panel will hear and determine submissions and provide a recommendation to Council for incorporation into the operative District Plan.

#### 4. Agenda

A link to an agenda for the Hearing will be sent to you by email before the Hearing. The agenda lists generally the order of the day although there may be some variation to this. The agenda will also include pre-circulated evidence. (See *paragraph 6 below*).

All material related to the Hearing is or will be available on the Council's website: [pncc.govt.nz/PlanChangeG](http://pncc.govt.nz/PlanChangeG).

## **5. Attendance of Parties**

Unless you have previously sought and been granted an adjournment of the hearing, if you do not or are unable to attend the Hearing, the Hearing Panel may proceed and make decisions in your absence.

## **6. Preparation of Evidence**

Unless you are an expert witness, you have the choice of either having your evidence pre-circulated before the Hearing, or presenting your evidence (written or oral) for the first time at the Hearing. If you decide to have your evidence pre-circulated, you will need to give it to the Hearing Administrator by 1pm on 29 November 2023.

For all reports and evidence that are pre-circulated before the hearing, the Hearing Panel may decide that the evidence be taken as read or that you may elaborate on principal points. In this case, there would be no need for this evidence to be read in full. You will not be obliged to elaborate any further unless asked to.

However, if your evidence is written but is tabled for the first time at the Hearing, your evidence must be read in full by yourself or by your representative. You should also have 10 copies of your evidence available for distribution by the Hearing Administrator, to the Hearing Panel, other parties and the media.

It would assist the Hearing Panel if you prepare a written copy of your evidence. It is not necessary to produce copies of the original submission itself as the Hearing Panel will have been previously supplied with this.

Pre-circulation of evidence has followed the directions given by the Hearing Panel in Minutes #2 and #3. Evidence already filed has been published on the Council's website: [pncc.govt.nz/PlanChangeG](http://pncc.govt.nz/PlanChangeG).

## **7. Content of Evidence**

Parties may elaborate on points they have already raised in their original or further submission.

Where it is considered that there is likely to be excessive repetition, the Hearing Panel may limit the circumstances in which parties having the same interest may speak or present evidence.

## **8. Venue for the Hearing**

On 4, 5, 7, 8, 11, 12 and 14 December 2023, the Hearing will be held at the Council Chamber, which is situated on the first floor of the Civic Administration Building, Te Marae o Hine, 32 The Square, Palmerston North. Access to the Council Chamber is via the automatic doors on Te Marae o Hine - The Square side of the roadway where our Customer Service Centre is situated. There are stairs and a lift to the first floor on the right as you enter the building.

On 6 and 13 December 2023, the Hearing will be held at the Conference and Function Centre, 354 Main Street, Palmerston North.

### **9. Evidence**

The Hearing Panel may require evidence given at the Hearing to be on Oath or Affirmation. Any pre-circulated evidence may also be required to be sworn whether it is read or taken as read.

If a witness is unable to attend the hearing, the Hearing Panel has the discretion to accept evidence in the form of an affidavit. An affidavit must be in writing, sworn before a solicitor, Justice of the Peace or other authorised officer, and should also set out the reasons why the witness is unable to attend the hearing in person.

### **10. Cross Examination**

There is no right of cross-examination. This means that the parties do not have the right to address questions to other parties, or to the Hearing Panel. The Hearing Panel may, however, question any party concerning their submission or evidence.

### **11. Conduct of the Hearing**

At the start of the Hearing, the Hearing Panel will briefly outline the hearing procedure.

The following order of appearance will usually apply:

- Council's Reporting Officers;
- Submitters.
- Council Right of Reply

### **12. Tikanga Maori**

Tikanga Maori is recognised where appropriate and the Hearing Panel will receive evidence written or spoken in Te Reo Māori.

If you wish to speak in Te Reo Māori at the Hearing, please contact the Hearing Administrator by 22 November 2023. This is to enable arrangements to be made for a certified interpreter to attend the Hearing, (*Section 4(5) Maori Language Act 1987*).

### **13. Visual Aids**

If you have PowerPoint presentations or similar, or you wish to use a data projector, video, whiteboard, pin-up board or a similar aid, please contact the Hearing Administrator no later than two days before the Hearing so that arrangements can be made.

### **14. Sensitive Information**

The Hearing Panel may make an order to protect sensitive information. The reasons for which such an order can be made, and the consequences, are detailed in Section 42 of the Resource Management Act 1991.

**15. Adjournment of the Hearing**

The Hearing Panel has the power to adjourn the Hearing.

After the Hearing Panel has heard the evidence and submissions, they will usually declare the Hearing adjourned or closed and will leave the Council Chamber to consider its decision.

**16. Additional Information**

After the Hearing Panel has adjourned the hearing, further details of information from any party involved in the proceedings may be requested. If this happens, all parties will be circulated with copies of the additional information obtained and will be given the opportunity to comment before the Hearing Panel makes a final decision.

**17. Decision of the Hearing**

All parties will be advised in writing of the Council decision and the reasons for those decision in due course.

**18. Appeals against Council Decision**

Any person who has made an application, objection or submission has a right of appeal to the Environment Court. Such appeal may be against the whole or any part of the decision. The time within which the right of appeal to the Environment Court must be exercised is within 30 working days of notice of the decision being received in accordance with the Resource Management Act 1991.

Because the appeal procedure is more involved than the initial Hearing, it is suggested that parties consult a solicitor if they wish to appeal.

**19. Variation of Procedure**

The Hearing Panel may, at their sole discretion, vary the procedures set out above if the circumstances indicate that some other procedure would be more appropriate.

**20. General**

You should not endeavour to contact the Hearing Panel. Any correspondence to the Hearing Panel should be directed through the Hearings Administrator Susana Figlioli ([susana.figlioli@pncc.govt.nz](mailto:susana.figlioli@pncc.govt.nz)).
