Subject: 5135 PC-G Hearing - Tabled Evidence of Amanda Coats + Response to Commissioners Question

Hello Susana

Could you please forward the answer to the Chair?

May it please the Chair:

This afternoon, I was asked about an aspect of the Plan Provisions that I considered may sit outside PCG in my oral evidence, but I could not identify the reference.

Answer:

On page 6 of my evidence dated 6 December 2023 there is a reference to Map 7.1B.

Map 7.1B	Pacific Drive Extension Area – “refer to Rule 7.7.1.2 (g)”	No	Not within the scope of PCG as notified, however this map in the ODP does not relate to any text I can identify and its purpose in the Plan and in relation to notified PCG adds to the confusion.
----------	--	----	--

On reflection, this map is relevant to PCG in that it relates to the Pacific Drive Extension Area Boundary within PCG Map 7A.4. I do not identify Rule 7.7.1.2(g) in the ODP text. If Map 7.1B does not relate to any text in the ODP, then it should be deleted as it serves no purpose in the ODP.

Ngā mihi | Kind regards, *Amanda*
