

**PUBLIC NOTICE UNDER CLAUSE 7 OF THE FIRST SCHEDULE
OF THE RESOURCE MANAGEMENT ACT 1991 OF THE AVAILABILITY OF THE
SUMMARY OF DECISIONS REQUESTED IN SUBMISSIONS TO:**

**SECTIONAL DISTRICT PLAN REVIEW
PROPOSED PLAN CHANGE 21: RECREATION ZONES AND RACE TRAINING ZONE**

In accordance with Clause 7 of the First Schedule of the Resource Management Act 1991, the Palmerston North City Council gives public notice that the summary of decisions requested by persons making original submissions to Proposed Plan Change 21 to the Palmerston North City District Plan are available for public consideration. The Council has received 48 original submissions on Proposed Plan Change 21.

Description and Scope of Proposed Plan Change 21: Recreation Zones and Race Training Zone:

Proposed Plan Change 21 seeks to review the following zones:

- Recreation Zone
- Conservation and Amenity Zone
- Water Recreation Zone
- Racecourse Zone
- Arena Zone (Formerly Showgrounds Zone)
- Race Training Zone

The purpose of Proposed Plan Change 21 is summarised as follows:

Recreation Zone: A review of the way that Recreation Zone rules manage the open space character of parks and reserves, and the way that specific structures are provided for. The following changes are proposed:

- Refocus policies from the 'development' of open space to the 'management' of open space.
- Include a definition for 'Recreation Zone Retail Activity'.
- Permitting buildings on parks according to the total site covered by buildings to recognise that effects are proportionate to the size of the park.
- Playgrounds, sculptures, toilet blocks and shade structures are proposed to be exempt from the permitted site coverage of parks in the Recreation Zone.
- Community events that last less than one week are permitted to erect temporary structures such as stages and marquees.

Conservation and Amenity Zone: A review of the Zone's purpose taking into account the functions and responsibilities of Horizon Regional Council. The following changes are proposed:

- Removal of Minor Temporary Military Training Activity standards around effects on flora and fauna to avoid duplication with the Manawatu-Wanganui Regional Council One Plan.
- Removal of rules regarding flood protection works carried out by Horizons Regional Council. This is dependent on the rezoning of the secondary stop banks that are currently zoned Conservation and Amenity to be zoned Recreation.
- Updating assessment criteria related to car parking.
- Inclusion of noise limits within the Zone.

Water Recreation Zone: A review of the way the Water Recreation Zone rules manage effects from surface water activities. The following changes are proposed:

- Changes to the noise exemption for the Manawatu Model Motor Boat Racing Club on the Hokowhitu Lagoon from ten to five occasions per year.

Racecourse Zone: A review of the Racecourse Zone to incorporate the Racecourse Structure Plan (see Map 15.1 in the proposed plan change) and the rezoning of three separate areas of land totalling 2.37ha for residential development. The following changes are proposed:

- Rezoning at Grand Oaks Drive totalling 0.72ha.
- Two parcels of land to be rezoned at Totara Road 0.54ha and 1.11ha consecutively.
- Inclusion of the Racecourse Structure Plan, a spatial plan for the main frontage and public entrance area.
- Inclusion of the Grand Oaks Drive Residential Area in the Subdivision Section, and associated assessment criteria to maintain streetscape and Racecourse amenity and mitigate effects on the existing residential environment.
- Inclusion of the Racecourse Precinct, and associated assessment criteria to retain open space and trees, and mitigate effects on adjoining residential neighbours.

Arena Zone (Formerly Showgrounds Zone): A review of the Showground Zone to incorporate the Arena Master Plan (see Map 15.2 in the proposed plan change). The following changes are proposed:

- A name change from the Showground Zone to the Arena Zone.
- Updates to the lighting, landscape amenity, and outdoor storage standards.
- Inclusion of the Arena Master Plan, to guide Council's long-term investment for the complex.
- Inclusion of assessment criteria associated with maintaining the principles of the Arena Master Plan.

Race Training Zone: A review of the way that the Race Training Zone supports the local horse racing precinct at Te Wanaka Road. The following changes are proposed:

- The introduction of farming, excluding intensive farming, and horticulture as permitted activities.

Changes to All Zones within Proposed Plan Change 21:

- Updated noise standards to reflect the latest national standards.
- Consolidated and updated standards and assessment criteria related to Temporary Military Training Activities.
- A focus on more outcomes based assessment criteria, and the removal of Environmental Results Anticipated.

Viewing of Proposed Plan Change 21:

The summary of decisions requested in the original submissions and the original submissions are available for inspection at the following locations when these facilities are open to the public:

- The Customer Service Centre, Palmerston North City Council, Civic Administration Building, The Square, Palmerston North;
