**Subject:** RE: Panel Site Visit

Hi Bill,

Please see below the Chairperson's response to your request:

"No this is not possible.

When Mr Harding presents to the Panel he can ask the Panel if it will ask the applicant his question.

All questions and discussions must happen at the hearing where all participants have the opportunity to hear and consider what is exchanged."

Thanks

**Subject:** Panel Site Visit

Dear Carly.

I understand the Panel will visit the site on Monday the 11<sup>th</sup>.

As a requested Suggestion could they ask Te Rere Hau Engineer just one question "Please."

" Does these Wind Farm Revenue Metering Meters have 50Hz Active Band Pass Filters fitted to them, which then will only read the True 50Hz Energy being Transferred". "Yes or No"

Carly, this is most important for understanding, the promotion of Wind Farm Operators claiming that they produce useable Electricity.

Thanks with regards

Bill
