PART ONE – INTRODUCTION

The purpose of this Administration Manual is to support the administration of the Signs and Use of Public Places Bylaw 2015 (the Bylaw), to provide information to the public about making applications for permits under the Bylaw, and to identify the standard conditions that apply to the different activities for which permits may be issued.

The Administration Manual is made under the Bylaw, and it will govern the implementation and operation of the Bylaw. The Administration Manual is a public document, and will be made available on the Council's website alongside the Council's bylaws. A hard copy can be provided on request.

This Administration Manual will be updated from time to time, as necessary, to ensure that it is kept up to date and reflects current practice. Amendments to this document will be authorised by the General Manager for the Customer Services Unit.
