**\*Those submitters identified with an asterisk have indicated a wish to be heard.**

Please also note that **if you have not previously indicated a wish to be heard, but now wish to be heard**, contact me as per my details outlined below.

As to timing and time for submitters I will be putting together a hearings schedule which will allocate indicative speaking times. I will be contacting you over the next week or so to determine how much speaking time you require. If you do not wish to attend the full hearing you should contact Kath Olliver at the provided phone and email address at least the day before you are scheduled to present to check timing.

***Please note that we are generally unable to allocate specific speaking times to submitters. I will be in contact shortly to those who wish to be heard to determine approximate availability.***

Further to the First Minute of the Hearings Panel dated 28 January 2019, you are reminded that if you intend to present **expert evidence** at the hearing, you are to provide a written brief of that expert evidence to Kath Olliver by **5pm on Friday 15 March 2019**. For further information on please read item **11. Preparation of Evidence** on the attached procedure sheet.

At least 15 copies of further written evidence can be tabled at the hearing. It should also be pointed out that submission of written evidence is not a statutory requirement and failure to produce such evidence does not in any way prejudice a party's right to be heard in support of his/her submissions.

Please see attached "Information Concerning Procedure for A Hearing of Submissions on a Notice of Requirement".
