

Palmerston North City Council

Electing 15 Councillors

David LANE

Independent

My principal place of residence is in the Palmerston North City Council area.

A growing city needs strong investment in infrastructure to meet the expectations of its community and ensure businesses can prosper. Roads need to be made safer, with fewer trucks

on residential streets. Following a 19-year career in road policing, during which I rose to the rank of Police Inspector, I retrained in road safety engineering. I have spent the last 15 years employed by Council leading the planning for the future roading needs of the City. I served as an active Chairman of a School Board and am strongly motivated to continue to serve the community. If elected, I will support efforts that ensure key projects are planned, delivered and represent good value for ratepayer's dollars. Environmentally conscious, I drive a hybrid car and use an electric bicycle for local trips. I seek your support, vote David Lane, your first choice for a safer city.
