

Palmerston North City Council

Electing 15 Councillors

Iulian DIANU

Have A Voice

My principal place of residence is in the Palmerston North City Council area.

Our City has a huge potential to grow and living standards to improve. There is a great vision for the City and, I will be your voice in the Council.

Living 20 years in Palmerston North gave me a good understanding of its assets and challenges. I have no personal or political agenda. My priority would be hearing what you, the everyday Palmerstonian, think will improve our quality of life. I would see our rates money spent on projects that matter to you. I trust I can help the Council achieve plans faster and more effectively.

Manawatu is one of the most culturally diverse regions in New Zealand. I am proudly born in Romania, have first-hand knowledge of how other nationalities embrace Kiwi culture and believe I can be the voice of diversity in the Council.

I am prepared to dedicate my knowledge, experience and energy to this role.
