

# Palmerston North City Council

## Electing 15 Councillors

---

---

### **Karen NAYLOR**

My principal place of residence is in the Palmerston North City Council area. I am also standing for the MidCentral District Health Board. Serving as your City Councillor over the past three years has been a real privilege. The city is progressing well and I'm proud of what has been

achieved.

Highlights include the completion of the Junior Road Safety Park, new social housing, He Ara Kotahi bridge and pathway, and the establishment of a Disability Reference Group.

I am committed to environmental sustainability and ensuring our city is a safe, vibrant and caring place to live, with great opportunities for all.

I have sought to improve the transparency of council decisions. I have listened to the views of our community and represented these at council.

Council's spending has escalated and annual borrowing has more than doubled. The increasing debt will impact future rates affordability. I have promoted a more financially prudent approach and will continue to do this.

I will work on your behalf to bring best value for your rates contribution.
