

Palmerston North City Council

Electing 15 Councillors

Latham LOCKWOOD

Independent

My principal place of residence is in the Palmerston North City Council area.

Kia Ora, I've been working to make a genuine difference for our community for a long time now. My voluntary community governance roles have included - Chairperson Kind Hearts Trust,

President Manawatu Young Professionals Network, Parentline Manawatu, New Zealand Business Week Facilitator, Rotary Youth Leadership Awards (Committee), Reel Earth Advisory Board Member, Rotary Palmerston North (4 years Director).

As an award-winning real estate agent, I'm fortunate to work across our community; from young people buying their first home, to those purchasing investment properties. I've seen first hand how much our city is growing, and the need to invest responsibly to support this growth and protect what makes Palmerston North special.

I will use my business and governance experience to speak out about the issues that affect our community, in particular - providing for our business community, helping Palmerston North to attract and retain talent and investment, and supporting our community organisations.
