

Palmerston North City Council

Electing 15 Councillors

Lorna JOHNSON

Labour Party

My principal place of residence is in the Palmerston North City Council area.

In my first term, I've focused on delivering for our community. I've led building of new council housing units, a reduction in the fixed charge for rates, increased funding for community

organisations, free swimming for preschoolers and our dog-friendly CBD & park. I'm proud to be part of a council that's making progress for the city.

I work collaboratively with others, and am thorough, sensible and hardworking in my approach. I listen, and advocate on your behalf. If re-elected I pledge to ensure a fairer rating system, continued council house building and action on climate and the environment. My vision is for a welcoming and inclusive city, where every person counts, and every person has a voice.

I've lived in Palmerston North for 18 years. I'm a vet in a local clinic and a volunteer train driver at the Victoria Esplanade. I'm married, with three children.
