

Palmerston North City Council

Electing 15 Councillors

Mel BUTLER

Vote for Mel, She'll serve you well

My principal place of residence is in the Palmerston North City Council area.

I'm a mother of two teenagers and believe that safety for all is essential in Palmerston North. I'm passionate about the community health, general wellbeing and work-life balance. I actively

promote these through my own business, striving to create a secure, all-inclusive environment.

I'd like to see streets lined with fruit trees, more community gardens and installation of CCTV cameras for safety of our community.

My major concerns are the state of the roads, footpaths and drains. I would make these priority areas of fixing for the council. We have a young community of car enthusiasts who like to use the public road to practice their hobby, which in a lot of situations is very dangerous, resources are tight for police so why not create a safe controlled environment for them to enjoy without using the streets.

I'd like to see dog registrations reduced with tighter rules around dog ownership.
