

Palmerston North City Council

Electing 15 Councillors

Nick BYRNES

My principal place of residence is in the Palmerston North City Council area.

I'm a hard-working family man and small business owner in the Flooring industry for over 20 years.

I've completed a BA in Psychology and Philosophy and I've held various community leadership

positions. As an independent voice in the City Council I will represent you the Residents and Ratepayers with a smart, cost-effective and efficient approach to managing our unique challenges. I will advocate for maintaining affordable rates to protect families against substantial increases. I aim to reduce our debt which is predicted to reach \$367 million by 2028 by ensuring infrastructure projects are affordable and environmentally considerate.

I believe in accountability in public service and in open and honest communication with community members. Protecting families and wholesome family values is at the forefront of my mind. My Vision for Palmerston North is to see our City grow and thrive while also maintaining the warm community spirit that makes us great.
