

Palmerston North City Council

Electing 15 Councillors

P. Hussein KIKHOUNGA-N'GOT

My principal place of residence is in the Palmerston North City Council area. I am also standing for Mayor.

Palmerston North has been my home for more than a decade.

My executive level positions at Manawatu Multicultural Council and Alliance Francaise, and also as a Red Cross volunteer and Drainlayer, have allowed me to witness division and dysfunctionality within the community resulting from rising poverty and inequality.

I feel the current lack of basic necessities within the average family robs our future generations of realizing their full potential.

As a Councillor I will strive to encourage people-involving resources and utilize empathy skills to bring a sense of social positivity and hope back to our community.

I believe, having faced many of the challenges and barriers that people are facing today, I have the abilities to improve the day to day lives of our citizens.

I seek your vote to support a democratic, transparent council that puts the wellbeing of our local people at the heart of its decision-making.
