

Palmerston North City Council

Electing 15 Councillors

Susan BATY

My principal place of residence is in the Palmerston North City Council area.

I am seeking re-election as we need a council that is financially prudent, contestable, accountable and transparent to the people of Palmerston North.

Our central location is one of our strengths that will encourage more investment, economic opportunities and employment into the city. Along with this, council has to make sure that infrastructure is in place to support sustainable growth.

The council can be proud of the new flats just built at Papaioea Place. However, housing is still a critical issue for the city. We need more affordable housing, social housing and rental accommodation. I will continue to focus in this area and work with the appropriate people and organisations to increase the supply.

I have proved in the past nine years that I have worked hard and that I am prepared to speak up and ask the hard questions. Re-elect Susan Baty and make her your number one choice.
