

Palmerston North City Council

Electing 15 Councillors

Vaughan DENNISON

My principal place of residence is in the Palmerston North City Council area. I am also standing for the MidCentral District Health Board.

Serving our city has always been a privilege. As Chair of Audit and Risk, with Safe City / Civil Defence portfolios, I led the highly-held

International Safe Community re-accreditation.

Other highlights include; opening the popular He Ara Kotahi bridge and Wildbase Recovery Centre, leading the 2020 Junior Men's Softball World Cup, plus advancing Arena Manawatu's Master Plan and Papaioea social housing project.

Alongside, I work with Homes for People, a social enterprise providing pathways into home ownership while delivering transitional housing support services.

My vision remains strong. Building an innovative city that promotes our economic strengths to develop business, growing jobs to create a prosperous community, that celebrates cultural diversity in an environment that's safe and connected, being financially prudent so as to enjoy today and generations to come.

I offer again my positive approach and proven experience and look forward to your on-going support in leading our great city.
