Free Hearing Aids Campaign

My principal place of residence is in the Palmerston North City Council area.

A tireless community worker and advocate of people with disabilities, I feel I have a very good understanding of the community's expectations. I want Palmerston North to be a business friendly, liveable, vibrant and inclusive city. I see my role as being your voice at the council. I have the energy, passion and skills to understand and handle modern challenges. This combined with my many years of experience in finance, facility management and project management. I'll be able to make informed contributions to decisions being made. I am a member of Chartered Accountants Australia New Zealand and currently working for a local accounting firm, previously I have had senior management positions with large corporations. I run a community organisation which provides free hearing aids to young children and the elderly in New Zealand, India, Bhutan, Fiji etc. I'm eager to serve you, and therefore ask you to vote for me.
