

Palmerston North City Council

Electing 15 Councillors

Billy MEEHAN

Independent

My principal place of residence is in the Palmerston North City Council area.

Vote for integrity, passion and experience. Palmerston North is a great place to raise a family and I will strive to make it even better. Having raised eight children in Palmerston North with my

wife Cathy, I understand the economic pressures faced today. I will prioritise maximising value for ratepayers, while pursuing sustainable growth opportunities for business, education, recreation and culture in our community.

I am an active community volunteer, working with at-risk youth, local schools and sports clubs. Having represented our country and city as an athlete and coach, I understand that success requires teamwork. The future success of our city depends on a vibrant team that will work together. With your vote, I look forward to being a part of that team.

If elected, I will govern with confidence and experience. I will listen to the community, be transparent in my views and stand-alone where required.
