Maruna (Donut Man) ENGU

My principal place of residence is in the Palmerston North City Council area.

The vision, my city that cares
Honesty is the key principle that opens
transparence and accountabilities equipping me
to lead the Council to restore healing and

prosperity; this demonstrates my highest duty of care to the universe and to the people Tangata. Palmy is highly favoured by the universe and I have put everything on the line to take my place to defend this Love - It is the antidote to all our disappointments. A copy of my plan will be released from the 1st of September to establish confidence, hope, healing and prosperity. I am honored to stand for Council Mayor in remembrance of our forefathers who first established the Council to serve the people Tangata.

I am married to a local girl for 22 years with three children and famously known as the community donut man at the Highbury Fleamarket. Vote for the Donutman 4 Mayor
