My principal place of residence is in the Palmerston North City Council area.

Surely a mayor's thoughts of power and devouring need to be stopped. That ego needs to consider the inhabitants housing jobs and future.

The apocalypse is stopping the lawlessness and corruption ending the apartheid system and gender inequality.

Ezekial: 3:17.18 warns the evil and protects the redeemed.

The land and assets of the municipality need to be restored.

Even if one has no faith, hope or morals, poltergeist their wrong doing causing paranormal stigmatic actions.

Aspirations.

Military for projects. Double prison using prisoner for apprentice. Re-capitalise municipality. Take legal course for correction of misappropriated tangible assets. Claim compensation from Crown agencies for wrongful uplifting of children and other malum repugnancies. Stop Horizons from their hypocrisy rating PN ratepayers illegally taking legal course for this scandal to recover monies taken and resolution.

Voluntary servitude. The irresponsible have no indemnity.
