## Electing the Mayor

### **Teanau TUIONO**

Green

My principal place of residence is not in the Palmerston North City Council area.

Kia ora. It's time for change. I am standing for Mayor to serve the social, environmental and economic interests of our diverse communities. I hope to lead a council with a shared focus on

climate action and preparing for the effects of climate change, through inclusive representation, and with increased transparency in our local democracy.

I have a background in law and have worked overseas at the United Nations with over 20 years experience in finding and creating solutions for education, for social justice and for environmental issues.

Nationally I serve on the Board of Greenpeace and I am active among many local community organisations. My wife and I chose Palmerston North for the quality schooling and strong sense of community as the place to raise our four children.

Use your vote to stand up for change. Vote for me Teanau Tuiono as Mayor of Palmerston North City Council.
